

I'll Still Write Your Name In The Sand

G C
It's been many years since we were childhood sweethearts

G D
Blissful days I'll never forget

G C
You know I still love you little darling

G D G
Though the years bring me only regret

G C
Oh I love you my darling how I love you

G D
If I talk will you try to understand

G C
Makes no difference how you treat me I love you

G D G
And I'll still write your name in the sand

G C
Through the long lonely years I have loved you

G D
And I've waited but only in vain

G C
Now I know that I've lost you my darling

G D G
But I still sing the same old refrain

G C
Oh I love you my darling how I love you

G D
If I talk will you try to understand

G C
Makes no difference how you treat me I love you

G D G
And I'll still write your name in the sand

G C
Now I know that your heart is for another

G D
And it grieves me more than I can stand

G C
Though I've lost the only one that I care for

G D G
I'll still write your name in the sand

G C
Oh I love you my darling how I love you

G D
If I talk will you try to understand

G C
Makes no difference how you treat me I love you

G D G
And I'll still write your name in the sand
